

Let's...

Make bath time fun

Let's try...

- using some fizzy bath bombs or sparkly bubble bath to make the bath look and smell good
- singing 'three little ducks went swimming one day' with a rubber duck
- using a teapot, cups and spoons to play with
- washing dolls with scrubbing brushes and sponges

Why try this?

- children remember the fun experience they have with you and this helps build strong relationships and happy memories
- talking, singing and making up stories helps develop your child's imagination and language
- routine and being consistent helps your child to feel secure and stay safe
- spending time outside is important for your child's health and well-being
