

Let's... Party together

Let's try...

- playing party games like musical statues, musical chairs and hide and seek
- making different flavoured jellies
- creating our own invitations

Why try this?

- children remember the fun experience they have with you and this helps build strong relationships and happy memories
- talking, singing and making up stories helps develop your child's imagination and language
- routine and being consistent helps your child to feel secure and stay safe
- spending time outside is important for your child's health and well-being
