

Let's... Wait together

Let's try...

- playing games together like, I spy, spot the...
- singing our favourite songs
- having a chat; a few minutes waiting in silence can seem like an age to your child

Why try this?

- children remember the fun experience they have with you and this helps build strong relationships and happy memories
- talking, singing and making up stories helps develop your child's imagination and language
- routine and being consistent helps your child to feel secure and stay safe
- spending time outside is important for your child's health and well-being
