

Let's...

Do the washing up together

Let's try...

- having a tea party with a tea set and washing up afterwards
- washing your toys in a bowl of soapy water
- pouring with big and little containers, egg cups, jugs, cups. Which one holds the most water?

Why try this?

- children remember the fun experience they have with you and this helps build strong relationships and happy memories
- talking, singing and making up stories helps develop your child's imagination and language
- routine and being consistent helps your child to feel secure and stay safe
- spending time outside is important for your child's health and well-being
